

The Sustainment Training Center (STC) offers a AN/GSM 439 Calibration Training Course for your Full-Time Calibration Technicians. The course contains instruction on test instruments calibrated with AN/GSM 439 standards and verifying items under calibration using appropriate Technical Bulletins within physical and DC and Low calibration systems.

The training is NOT MOS producing or Additional Skill Identifier (ASI) awarding.

This course is in the ATRRS School Reservation System under School Code 952, Course Title: 964-Cal AN/GSM-439

Technicians/Soldiers attending the instruction will attend this training in a paid status. Cost to the States for sending Technicians/Soldiers include travel to and from Camp Dodge from the Technicians/Soldiers home station. Food subsistence is local economy. Lodging is available on Camp Dodge for \$43.00 per night for single room, queen size bed and shared latrine.
